Description

This 2019 Volkswagen Tiguan TDI SEL is a capable SUV powered by a 2.0 litre diesel engine. It features a four wheel drive system and meets Euro 6 emission standards, making it a practical choice for various driving conditions. The vehicle has a clear history check, providing peace of mind regarding its background., , The Tiguan offers a blend of performance and utility, highlighted by its ability to accelerate from 0 to 62mph in 7.9 seconds and a towing capacity of 2500 kg. Practicality is a key strength, with a large boot space that accommodates luggage and equipment with ease, alongside a low insurance group rating that helps manage running costs. Inside, the cabin is equipped with heated front seats and a panoramic opening sunroof, while the LED headlights with dynamic light assist and automatic dusk sensors improve visibility. Connectivity is straightforward thanks to Car-Net App Connect, which supports both
